Wednesday Afternoons
Dana McTiernan and Lucia Vogel
12:30-3:00pm

We are excited to offer you an afternoon enrichment class, Look Who's Cooking, which will be held on Wednesday afternoons.

Why Cooking? Not only is it fun, but there are great things to be learned! In addition to building good nutrition and food knowledge, children will learn math, science, reading, and patience. Cooking also helps children with their decision making skills, to become more independent, and it helps build self confidence when they realize they are a vital part of making something they can eat and share with friends!
