Early Twos is for children ages 18 months and older. The goal of the class is to provide a setting where children can play with age-appropriate toys, develop language, communication skills and develop fine and gross motor skills all in a nurturing environment. The children will make new friends, learn to share and take turns while developing social skills.

These skills will be developed through art activities, story time, snack time, playtime, finger plays and singing songs.

This class is guided by qualified Church in the Highlands staff.
