

# Look Who's Cooking

**Wednesday Afternoons**

**12:00-3:00pm**

**Yearly Cost: \$1,600 (lunch bunch fee included)**

**Why Cooking?** Not only is it fun, but there are great things to be learned! In addition to building good nutrition and food knowledge, children will learn math, science, reading, and patience. Cooking also helps children with their decision making skills, to become more independent, and it helps build self confidence when they realize they are a vital part of making something they can eat and share with friends!

Offered for 3-4 year olds

**Please note:** These classes are intended for children who are developmentally ready to participate and can sit and follow directions. It may take some time for your child to be ready for lunch bunch or an afternoon enrichment class.

---

**I would like my child enrolled in the Cooking Enrichment Program for the school year.**

**Child's name:** \_\_\_\_\_

**Enclose Check for \$1,600** \_\_\_\_\_
